Dhanbad, IN • (+91) 960-865-0941 • rakesh.tu16@gmail.com • linkedin.com/in/rvislive

---

An optimistic & self-motivated person with an attitude toward perfection. I always use my skills & imagination to add design & creativity with a sense of a start-up in a teenager & the aim to make my brand in the corporate world and serve society in this transforming digital era.

## SKILLS

---

HTML, CSS, C++, JavaScript, NodeJS, Java | Data Structure & Algorithms | LLD | ReactJS, ExpressJS | MongoDB, SQL, Postgres | Git, AWS, Docker, Kubernetes

## EMPLOYMENT

---

**Iorta Solutions Technology**, Mumbai, IN 2+ Years, Full Time, Sept 2021 – Present  
**Software Engineer – II (Backend)**

- Actively identified and resolved production defects to maintain system reliability and minimize downtime.
- Completed code reviews to maintain code quality and collaboration within development teams.
- Utilized NodeJS, ExpressJS, MongoDB, and Postgres, designed and implemented an event-driven architecture for the client TATA AIG, supporting insurance for over 600 products across multiple lines of business, catering to a global user base of approximately 200 million annually.

**Brainium Info. Technology**, Kolkata, IN 1.2 Years, Full Time, July 2020 – Sept 2021  
**Software Developer**

- Delivered projects based on consulting, hotel, cab booking, video-streaming, and Job portal.
- Implemented JWT, Passport Authentication, Email, Text, Push Notifications, Payment Integration, Socket.io, and many more features with more than 6 projects efficiently with NodeJS, ExpressJS & MongoDB that will serve millions of customers.

## EDUCATION

---

**Tezpur University**, Assam, IN June 2016 – July 2020

- **Bachelor of Technology**, Computer Science & Engineering
- Problem Solving skills, CS Fundamentals., Object Oriented Programming, low-level design & high-level design.

## PROJECT(S)

---

**Tuitionic.com** NodeJS, ExpressJS, Bootstrap, MySQL, Linux

- Developed and founded a startup Tuitionic.com (formerly campus tuition) that connects those willing to teach and those willing to learn based on their comfort.
- Reduced render time of webpages by 82% by implementing ExpressJS & Bootstrap framework.
- Implemented e-mail services & Google Map API, to get 98% accurate information in databases.

## AWARDS & ACHIEVEMENTS

---

- Solved 500+ DSA problems on different coding platforms with 3 stars at Leetcode.
- Received award for fastest defects resolver & managing backend team at Iorta solutions.
- Awarded best volunteer award for social work & web developer in NSS, out of 300 volunteers.
- Coached mathematics to more than 30 students of higher secondary for JEE, either in a direct manner or even indirectly.
